Q 5. Essay # 1 What is the importance of Rivka in this book?

In this book, Rivka was very important to the survival of Hannah. When Hannah arrived at camp, Rivka told her about what to avoid. She told her not to get close to greets, because they can't speak english. Later she helps Hannah into the garbage when hiding, therefore saving her life. She also told her to remember your number always. Also, she said that if someone's number is lower than you, than they are survivors, and they can help you. Others thought Rivka was crazy, but Hannah trusted her. Even though Rivka knew more, she was "chosen", so Hannah gave her life like a hero to save her. Rivka had turned out to be Hannah's Aunt Eva. Either way Rivka did many things to help Hannah.
